dedicated to mrs. cooper

Because of her love and concern for students, Mrs. Wilma Ruth Cooper has devoted much of her time and energy to the school. As Student Council Sponsor, she has aided the students in making great strides toward a better student government. Because we appreciate her work as a teacher and Student Council Sponsor, the 1971 **Mustang** staff takes pride in dedicating our annual to Mrs. Cooper.

in memory of vivian phillips

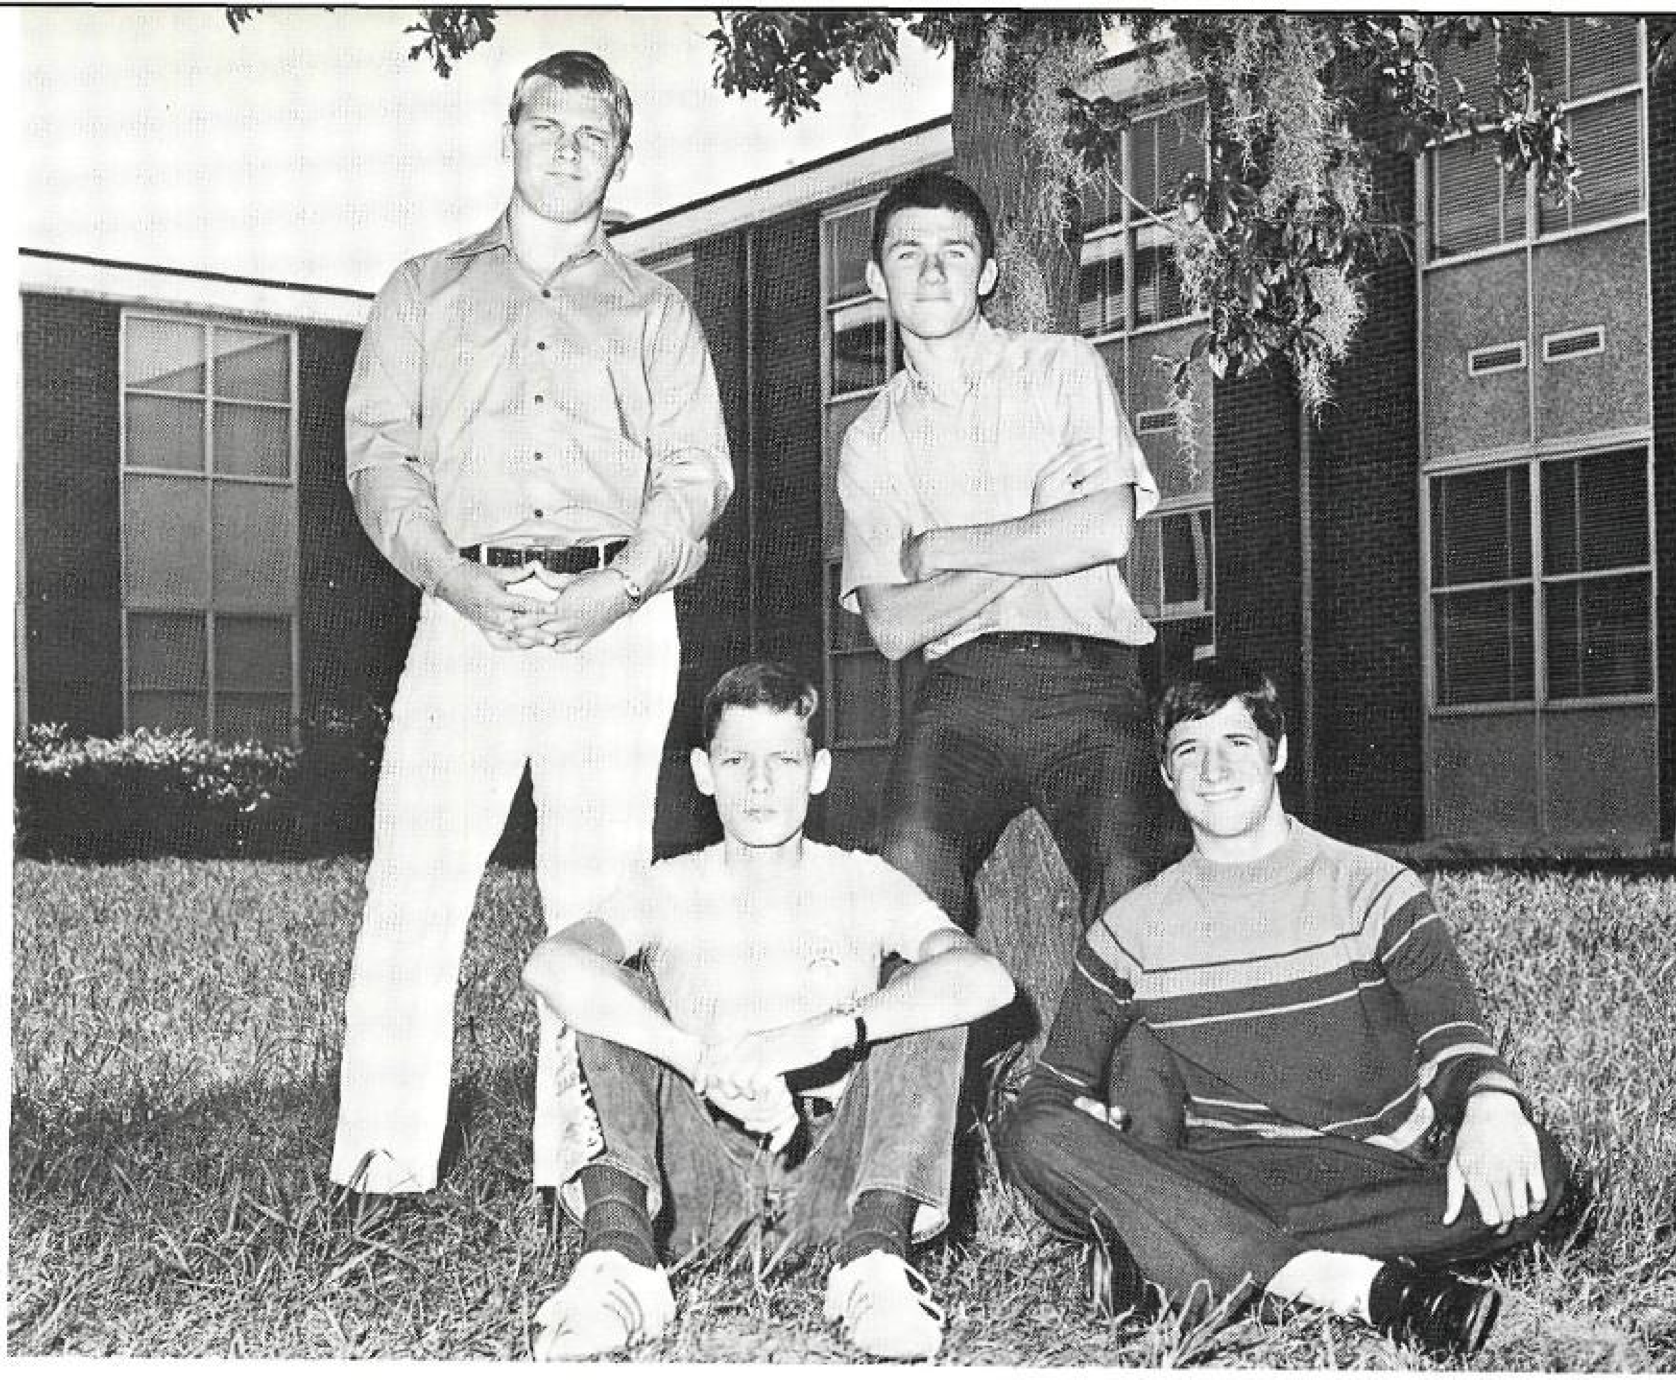

Every year there are many changes. *Teachers, students, friends, and ideas all* change. The annual, too, must change. We hope these changes bring you closer to your memories. We present, to you, the new 1971 MUSTANG. It is yours. Use it and remember.

mr. cunningham
superintendent emeritus

Mr. W. C. Cunningham has been a key figure in the development of the Galena Park School District. He inspired the building of North Shore Senior High School. Providing the children of the community with the finest educational program, budgeting all money in a proper way, and surveying conditions so as to produce a type of educational system that properly suits both the people and the needs are among the enormous tasks performed by Mr. Cunningham and the administrative staff.

We, the students and faculty of North Shore, would like to take this opportunity to express our gratitude to Mr. Cunningham for helping make our school a great success. We wish him the best of luck in the years to come.

Mrs. Corson
Secretary to Mr. Cunningham

mr. cobb superintendent of schools

Mr. Gerald Cobb first began his work for the Galena Park School System in 1954. During this time he has served six years as Business Manager, four and one-half years as Assistant Superintendent, and has recently been elected Superintendent of the School District. He attended Baylor University where he received his Bachelor and Masters Degrees. Presently, he is working on his Doctor's Degree at the University of Houston. Mr. Cobb's interest in basketball culminated in his being elected coach of the South All Star Basketball Team in 1960.

We would like to express our gratitude to Mr. Cobb for his support and concern for the students of our school and to congratulate him on his new position.

Proudly, but with a touch of sadness, I say good-bye to my students, faculty, and staff. I say "proudly"—because I am, indeed, very proud of the growth this school has made since it opened in 1962. I say "sadly" because to leave old friends and old places is always a time of nostalgia, even though my association will continue in another role. My hope is that the growth so well-begun will continue and that North Shore Senior High School will move steadily toward goals of excellence.

As Robert F. Kennedy said, "The future does not belong to those who are content with today. Rather it will belong to those who can blend vision, reason, and courage in a personal commitment."

To The Students,

This school year has been a most successful one in every respect. Our achievements through the scholastic year has been largely due to the efficient and cooperative efforts of the student body.

Congratulations to the Annual Staff for this well edited yearbook. Best wishes to the entire Student Body.

Sincerely yours,
